Birthday bonks with stranger

Razzle – you know you helped me enjoy a bonking birthday to remember.

Sam, my partner, had arranged a surprise for me when we got home.

He showed me four soft leather straps attached to the bed and told me to lie down.

He then tied me in place and slipped a blindfold over my eyes.

He left the room and I tried to imagine what he might have got, thinking it might've been a rabbit vibe or a big plastic cock.

My pussy was soaking as I thought about the fucking I was going to get.

Then I heard Sam return and I felt fingers run up my thighs.

He moved his fingers so that they brushed over my clitty then his thumb pressed down hard with a slow rocking movement that had me moaning for more.

A finger slipped inside my slit and was quickly followed by two more.

Sam worked my pussy, sliding three digits in and out, teasing me towards an almighty orgasm.

My cunt finally exploded as I felt his mouth clamp over my right tit, lapping and chewing hard, erect nipple.

I felt Sam's cock, hard and erect pressing against my lips and opened my mouth to allow it to slip in.

My tongue worked over his cock head, dipping into the little eye to lap up all the pre-cum.

I bobbed my head forwards, taking more of his cock into my mouth and sucked him as hard as I could.

Sam then whispered into my ear – "Is that nice babe?" but I could only grunt as his cock slid in and out of my mouth.

I'm not normally slow but it took me a second to realise that Sam couldn't be licking my cunt and whispering in my ear at the same time.

There was someone else in the room, and he was licking my wet cunt.

I was too far gone to care who they were and just carried on sucking Sam's cock as I enjoyed the licks from my anonymous lover.

Sam pulled out of my mouth and my lover stopped lapping at my cunt. I wailed for them to keep going but was told to roll onto my side.

I did as they said and felt someone's cock entering my cunt. I clenched my muscles, squeezing it tightly as it pushed its way deeper and deeper inside me.

Just as I got used to this I felt a second cock prodding at my arse. Sam pushed until I relaxed and slid in.

I was being fucked in both holes by two cocks and loving every filthy second of it.

Suddenly I felt the cock in my pussy shake violently then explode inside me.

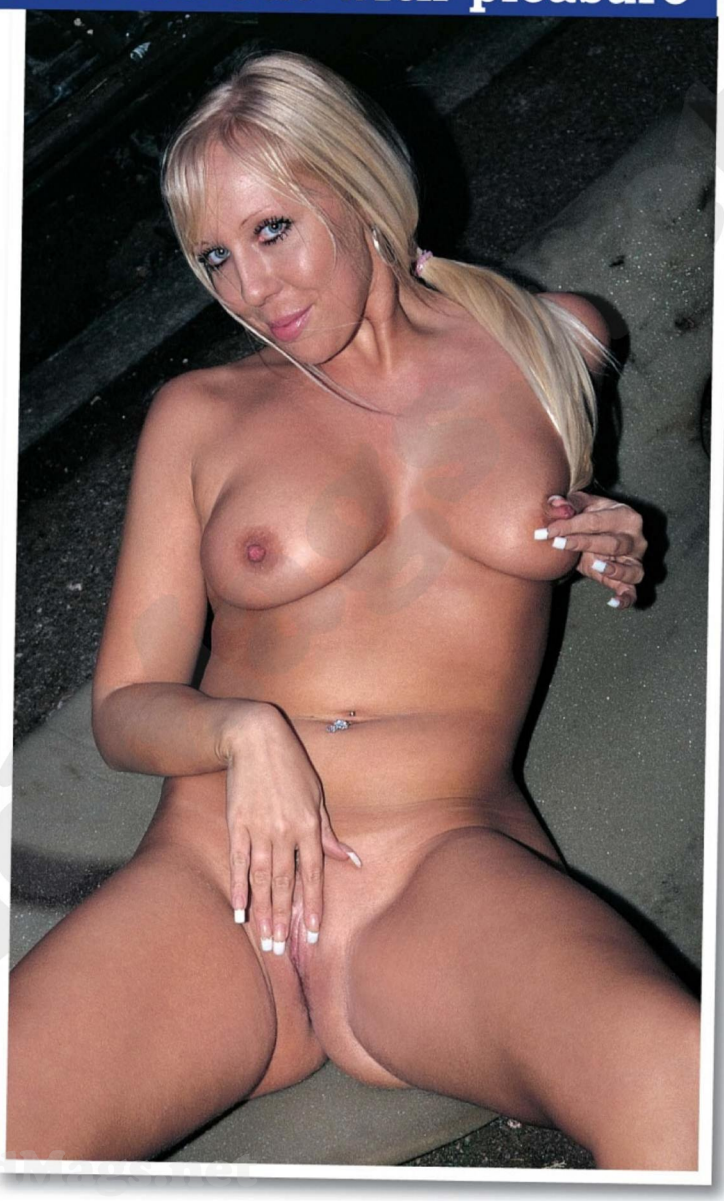
Porno of the Month

GRAND ANAL!

O hole mio! Scarlett Revell, super hot director (in both senses, see her pic, *left*), travels to Italy for her latest film – a veritable Pornetto of different fuck flavours, featuring fetishwear by award-winning designer Atsuko Kudo (who dresses Lady Gaga), classy canalside locations and primo poon in the shape of Hennesy (*right*) and Mira (*left*). But how's the sex? In true Italian style, your cock will promptly surrender in the face of this onslaught!

"He emptied his swollen balls in my arse, pushing me towards my third orgasm. I cried out with pleasure"



No sooner had this hot pumping slowed than Sam let go and emptied his swollen balls deep inside my arse. This was enough to push me toward a third and final orgasm and I cried out with pleasure.

It turned out that Sam had written to one of the guys who had sent us a horny letter after I was in *Razzle* before and asked him to come and fuck me senseless.

My cunt was so well hammered that I told Sam not to wait until my birthday for the next time! I'm hoping for a rapid repeat performance!

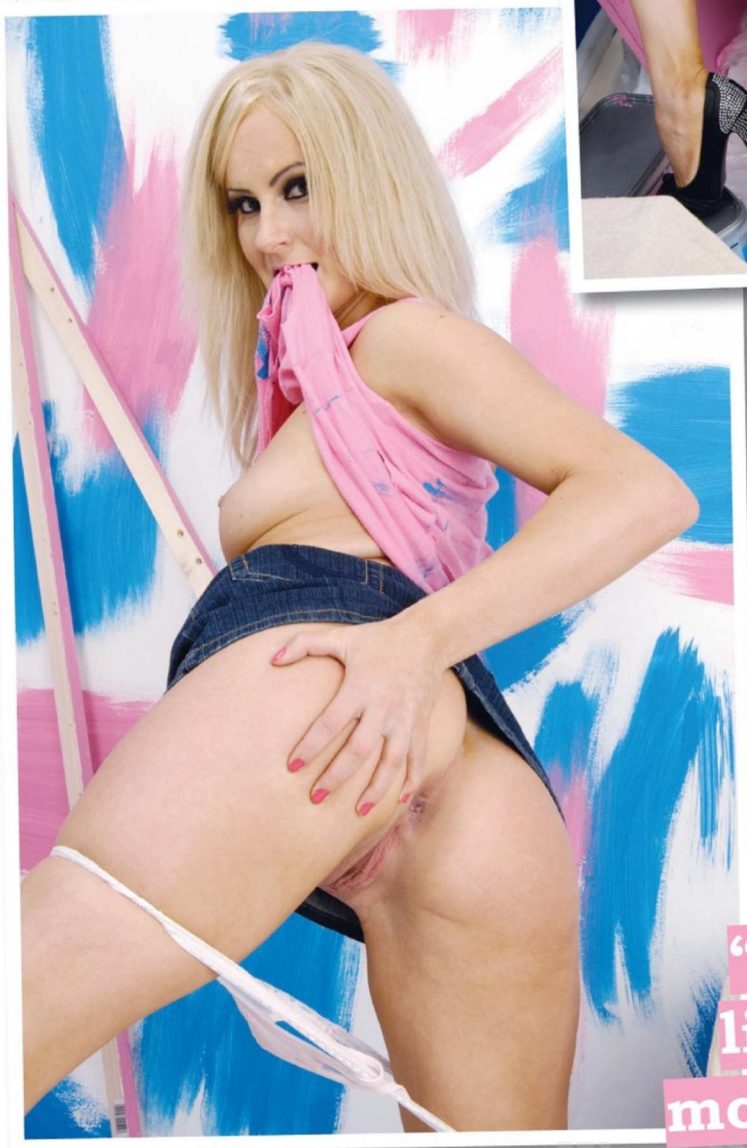
Randy wife's revenge is sweet

My husband is an avid *Razzle* reader so I thought I'd write in and tell you what happened on holiday last year.

It all started when I found out he had been having sex with a woman at work. I forgave him, but told him I would have sex with another man if I got the opportunity.

To make things up to me he took me on holiday. It was here that I met Winston, a waiter. I decided he was going to be the man I would have sex with as revenge for his fling.



I made a big play for Winston, taking every opportunity to press my tits up against him when he passed. When we were at dinner I would uncross my legs so he could see my G-string.

After a few days of this treatment I asked Winston if he would show me the sights one night, and he agreed. I informed my husband, telling him not to be in bed when I got back.

Winston and I came home at about 2.30am to find my husband pretending to be asleep on the sofa. We went into the bedroom and I deliberately left the door slightly ajar.

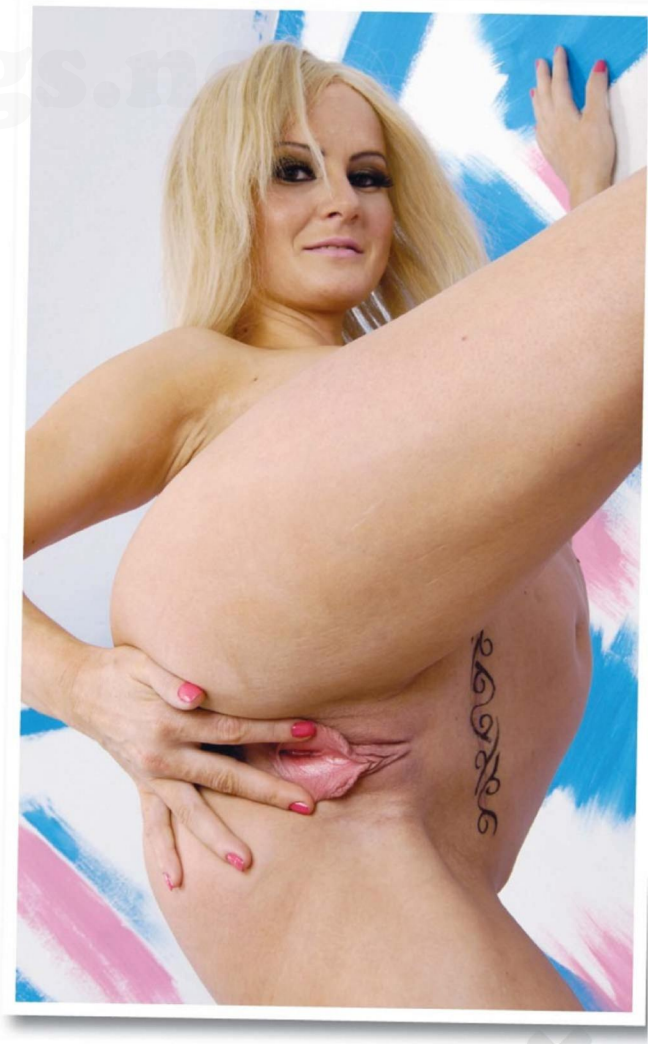
Winston started by undressing me down to my G-string, stockings and suspenders. He rubbed my clit through my G-string before putting his long black fingers inside them.

He ran them back and forth across my clit. My clit is really sensitive so this drove me absolutely wild.

"After five minutes of licking I could take no more and needed fucking"

WorldMags.net

visit www.paulraymond.com



Before long I was begging him to fuck me.

He pushed me back onto the bed and pulled my G-string off. He took his clothes off and when he got to his boxers I nearly died.

His cock must have been eight or nine inches on the hard, a lot bigger than my cheating husband's. By now my pussy juices were running down my legs.

Winston pulled my legs up and licked the full length of my slit. After about five minutes of licking I could take no more and said, "For fuck's sake, fuck me!"

Winston didn't need telling twice and started to feed his monster cock into my hole. As it went in my cunt felt like it was on fire – I was being stretched like never before.

Winston slowly built up speed, pushing his cock almost all the way in before pulling back. I concentrated on moving with Winston's cock, making sure I rode him as deep as possible.

I kept telling him to let me know when he was about to cum. Winston was now going flat out, pushing me up the bed with the force of his thrusts. After a while he told me he was cumming.

I quickly told him to get his cock in my mouth.

Winston just managed to get his cock up to my mouth as it erupted, splashing my lips and face with his come.

I put his cock in my mouth and drank as much cum as possible before taking his cock out of my mouth and licking the end clean.

I made sure my husband could see the spunk and the look on my face from where he was peeping at the open door.

After Winston had gone I told my husband to photograph my stretched and spunk-filled cunt and send *Razzle* the pictures. This was the final humiliation and completed my revenge.

I told him if he repeated his unfaithfulness I would have a Winston every week from then on. I don't think he will somehow.

We were so poor when I was a kid that if you didn't wake up with a hard-on on Christmas morning, you had fuck all to play with.

A woman is having a torrid affair with her husband's best friend behind his back. One afternoon, the lovers are in bed when the woman's phone rings.

Her lover listens to her side of the conversation. "Hello? Oh, hi! How are you? Oh yes... Right... That's great, I'm glad you're having such a fantastic time. Okay, see you soon. Yes, bye!" She hangs up and, curious, her lover asks, "Who was that?"

The woman smiles and replies, "That was my husband telling me about the amazing time he's having on his fishing trip with you."

Why is a wife like a condom? Because they spend more time in your wallet than on your dick.

Women will never be equal to men until they can walk down the street with a bald head and beer gut, and still be convinced they are gorgeous.

A MAN WAS SITTING ON A BENCH, FOUR CHILDREN PLAYING NEARBY. A WOMAN ASKED, "EXCUSE ME SIR, ARE THOSE YOUR CHILDREN?" THE MAN PEERED AT HER OVER HIS NEWSPAPER AND REPLIED, "NO, MADAM. I WORK IN A CONDOM FACTORY AND THESE ARE CUSTOMER COMPLAINTS."

TRUE CON

ACTRESS ZOE RECEIVES AN AROUSING RECEPTION FROM HER CO-STAR

Since starting uni last year, I've somehow managed to rack up a massive amount of debt and have had to get myself a part-time job. As a result, I have been coming home at weekends to work in my local theatre. The money's not amazing, but it's pretty good fun – I get to meet a few minor celebs and hang out with the cast of each production.

The latest travelling company was a really young cast, who were putting on some kind of comedy production of 'Hamlet'. However, these were no serious actors; they were all clearly just up for having a laugh and a good time, with the odd bit of acting thrown in! The blokes were all quite flirtatious anyway,

but one guy in particular had been chatted me up outrageously on a Friday night out, but I'd managed to hold myself back from succumbing to his charms as he was too drunk to know what he was doing. I may have fancied the arse off him, but I do still have a few standards!

"I ENJOYED FEELING HIS WET DICK PULSE INSIDE MY PUSSY"

The next day, I was watching the matinee performance from the wings, and was stood leaning against the wall as the same guy, Aaron, brushed past me making his way to the stage as Polonius. "I've got something for you afterwards," he whispered in my ear, and then turned back to grin at me. I knew exactly what he was hinting at, and my pussy tingled with excitement as I watched him perform from the wings, knowing that this was his final scene of the play.

As soon as he exited the stage, instead of waiting around in the dressing room with the rest of the cast as he was supposed to, he grabbed my hand and led me in the other direction. I was a willing captive as he dragged me straight into the men's toilets, which happened to be one of the doors closest to the stage. Kissing me passionately, he steered me into a cubicle and locked the door behind him. It was so smooth, I almost wondered if he made a habit of this sort of thing! It was faintly

WorldMags.net

FESSIONS

ridiculous as I yanked his heavy antique shirt from out of his pantaloons, reaching through layers of material to get at his dick! With it firmly in my grasp I happened to glance up at him, only to see that he was still wearing his wig! We giggled to each other as he realised and snatched it from his head, and we got down to the serious business of me sucking his prick.

I love to give blow jobs, and Aaron had a nice fat cock that made me stretch my mouth wide around it. I slurped and sucked before slowly licking his length and concentrating my tongue on his bulbous helmet. Holding the back of my head, he started fucking my face, letting me know that he had been thinking about this since the night before.

Wearing a skirt, my knees stung the cold hard floor as I slurped his length down my throat, but the pain just added to the experience. I moaned as I felt his end hit the back of my throat, my eyes watering as I tried desperately not to gag. Damn, it was horny! He was obviously in danger of shooting his load, so he lifted my head gently from his dick and held out his hand to help me up. I was touched by his chivalry!

Getting to my feet, I had barely lifted my skirt up to expose my knickers before his hand was in there, rooting around. Did I say chivalrous? Two of his fingers felt around before being pushed deep inside my fanny, and I squeezed my muscles around his knuckles so they were tight inside. He rubbed my clit with his thumb and he worked up a steady rhythm of fingering me and frigging me, simultaneously.

When I knew I was lovely and wet, I yanked Aaron's hand from between my legs. Taking hold of his dick, I gently pulled him towards me until my back was against the cubicle door. Cocking one leg up, he crouched down slightly to better position his swollen cock-head at my entrance.

Sinking down over his full length felt exquisite, and I knew I wanted to savour that feeling. I rose up slowly until his length almost slipped out, then drove my pussy back down on to it hard. Aaron let out a low groan and I knew it felt as good to him as it did to me. I continued to do this, enjoying feeling his dick pulse inside me as I tightened my pussy muscles around him, fully aware that he was desperate to pop his seed.

After a couple of minutes of me teasing us both like this, he eventually took control again, grasping my arse in both hands and cradling my thighs with his elbows, lifting me off my feet. The cubicle was creaking loudly as he pumped his rod into me quickly, then thrust more deliberately for the final few times. I felt his hot spunk spurt inside me, and fingering my clit frantically, I managed to time my climax to perfection, our juices mingling together inside my cunt.

With my final shudder, I suddenly panicked to hear a huge round of applause from the audience – obviously to signal the end of the performance, but the timing was impeccable! I expected him to be in a hurry to get out of there, however, he kissed me on the mouth and cheekily asked, "Do you think that was for us?"

Dog walk ends in ruff stuff

I've read *Razzle* for several years and always wanted to send in a story of my own, so I thought I'd tell your readers what me and my boyfriend get up to after dark.

One particular night, our dog was hassling us to take him for a walk.

I decided to slip into some sexy underwear and my knee-length boots and surprise my boyfriend once we were out in the woods.

Just as we were leaving the house, I suggested he brought the camera along with him, and gave him a flash to let him know why.

Once in the woods, I could hardly contain myself and suggested he removed my sodden knickers.

Quick as a flash, he was pawing at my wet pussy, but I had other ideas.

We let the dog slip the leash and found a suitable spot to take a few sexy photographs.

I was dying to feel his hard cock inside me though and no sooner had he shot off a couple of snaps than he was setting the camera down and joining me on the ground.

He slipped his tongue deep into my pussy, then gently lapped at my clit as he slid two fingers in and out of me.

I could feel myself about to cum on his face but my boyfriend decided to tease me

"I really went for it, gobbling his cock down with greedy slurps, then told him to fuck me hard and fast"

WorldMags.net

visit www.paulraymond.com

"The thought of being caught while being pumped excited me even more"

for a bit longer.

Every time I thought I was about to climax, he'd stop and give me nothing more than a cuddle.

It was all very frustrating and soon I was absolutely gagging for him.

I ordered him to pull down his jeans, then got to my knees in front of him and began to tease his prick with my tongue.

I could already taste his pre-cum in my mouth and I really went for it, gobbling his cock down with great greedy slurps.

I could tell he was close to cumming, so I lay down on the ground with my legs spread as far apart as I could manage, them I told him to fuck me hard and fast.

Without hesitation, he slid his cock into my dripping hole and started to fuck me for all he was worth.

The ground was quite wet from an earlier shower, but this was nothing compared to how wet my cunt was.

Our amateur photography session excited us both so much that we quite forgot about the poor dog.

We also forgot where we were and carried on fucking oblivious to the fact that anyone could've come along at any time.

Actually, the thought of being caught while my pussy was being pumped full of wonderful cum did eventually occur to me, though all it did was excite me even more.

It wasn't long before I was cumming all over his rock hard prick and my boyfriend responded by flipping me over and cumming all over my pert little bum.

He took some more photos of that but I'm afraid those shots are for our own private, explicit collection.

We eventually cleaned ourselves up and caught the dog, then we drove home to continue our lustful night from the comfort of our own bed.

I hope you like these shots of me taken just before my hard pounding. Have one on me. XXX.

MISTY

"I'm a real deviant!" confesses Misty (23) with a giggle. "I was brought up really properly, in a nice house, but there's something about sucking off a man's penis through a hole in a public lav that really gets me wet. I don't want to see his face, just suck and fuck his cock through a hole! I guess I just love slumming it!"

JULIA JONES'S MONTHLY REVIEW OF THE BEST SEX TOYS AND KINKIEST BEDROOM AIDS

winter warmer kit

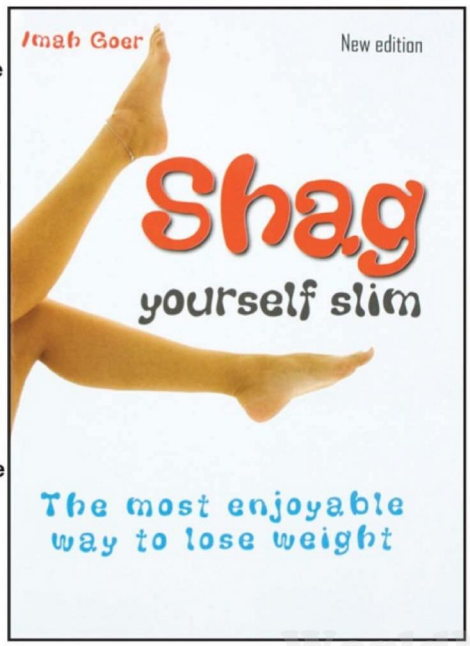
Brrrrrr... What better way to warm up on those cold, miserable, dark evenings that a steamy sex session with your other half? This kinky kit contains strawberry massage oil, Good Head oral suckers, Warm 'n' Glow vibes, and my favourite lube – Hot Pink. Better than a hot water bottle and a Horlicks at any rate. Good value for money and it doubles up as a perfect stocking filler – just don't open in front of your nan!
Available from www.sextoys.co.uk for £25

muse clitoral rabbit ears

Sometimes all you want is a no-fuss buzzing good orgasm. The Muse is a non-insertable rabbit vibrator whose action is all in the ears. Designed to stimulate just your clit, it packs a lot of power with its dual motors and ten vibration settings. The base fits perfectly in your palm giving you precision handling. It's also waterproof which is great as this will have you squirting from the rooftops.
Available from www.lovehoney.co.uk for £44.99

shag yourself slim by imah goer

After Xmas comes the guilt. Not because you shagged your brother-in-law while the rest of the family was busy tucking in to the turkey (that's just me), but because you stuffed your fat face full of food. So, what you gonna do about it? Expensive gym memberships are not for me, but this book most certainly is. Shag Yourself Slim is a workout to enjoy, not dread. Includes calorie counts for different positions and offbeat tips such as: "Self-shagging with a vibrator: Replacing the batteries that short-circuited last time due to damp conditions – 10 calories. Letting the machine do the work – 2 calories. A far bigger orgasm than your boyfriend ever gives you – 100 calories."
Available from www.lovehoney.co.uk for £7.49



bound to please 100% hemp bondage rope

If Santa fails to deliver the goods this year, grab this rope, tie him up and give him a lesson to remember in gift-giving. Kind to skin (more than you'd think with hemp), it won't chaff or burr, but it will give you a good sturdy knot. It's ten metres long so you can explore a Japanese style full-body restraint if that's your thing. If nothing else it will make an excellent washing line!
Available from www.passion8.com for £11.99

Julia, Naomi & Ronnie

"I watched them, starkers, using the helmet of a fat dildo to rub and tease my clit"

My bloke Ronnie loves it when I suck my own fuck-juices off his cock; he says it's one of his biggest turn-ons. He'll spend ages over giving me a slow fucking, while fiddling with my clit so my pussy gushes my juices around his shaft. Then he pulls out and feeds it into my mouth, so I can suck him clean. Sometimes he plays around a bit, smearing my wetness on my face and tits before licking and kissing it off himself. Then he slips inside me to get his cock all wet and juicy again, before putting it back in my mouth for me to suck him all the way off.

I would have agreed that it's the horniest thing in the world up until a few months ago, but that's before we brought our mate Naomi into the mix. She's actually an old ex of Ronnie's – they split up years before he started seeing me – but I've always liked her as a person, and she's more than a little bit attractive. She was married when we first met, and when she split up with her husband she even stayed in our spare room for a while, until she got herself sorted out.

She didn't sleep with anyone for ages after they split up and I was starting to wonder if she was happy to spend the rest of her life alone so I was sort of relieved when, after a bottle of wine one night, she admitted that she was really missing sex, and the comfort of being with someone. I told her Ronnie could probably fix her up with a mate of his, but she said she wasn't ready for that just yet. She confided that she was really nervous about being intimate with a stranger as it had been so long since she'd been with anyone but her husband, and told me how lucky I was to have someone like Ronnie. I took this as a hint as well as a compliment and decided that, if Ronnie was up for it, I was surprisingly alright with her shagging him – just so long as we were all clear that is was a one-off, just to get her into the swing of sex again! Ronnie obviously said yes when I approached him with the idea, but shocked me by saying that he wasn't comfortable with a one-on-one with Naomi; he wanted me to be a part of it too.

I laugh now at what I told him – that I'd watch them and maybe fuck him, but I wasn't into lezzie sex and didn't want any interaction with Naomi at all. And when we all got together one night, true to my word, I was happy to sprawl naked on a gigantic floor cushion with my favourite sex toys as they got things going on the bed.

Ronnie was really gentle with her at first, crouching over her as they snogged, and she'd shiver with pleasure every time the tip of his hard prick skimmed over her stomach. All he did was slip his hand between her thighs, letting her set the pace. And it wasn't until she was humping away at his hand, and begging him to use his cock on her, that he made any attempt to fuck her.

I was finding the whole situation very horny – lying there starkers, with my legs splayed wide, using the helmet of a nice fat dildo to rub and tease my clit. I didn't try to follow or keep up with what they were doing – in fact, I held off taking it inside me for as long as I could stand it, teasing my own fanny as I watched the real live porno that was unfolding in front of me.

Naomi's pretty supple, she's done loads of yoga and stuff, and Ronnie had her legs right up and back now, so he could plunge really deep inside her. It seemed to be doing it for her too; I could see her tightening her cunt around his cock, and when he started sucking on her tits as well she almost hit the ceiling.

Staying power is not a problem for Ronnie, and I reckon he had her cumming twice before he finally shot his load. He was down to the balls inside her as he did it, as she'd clamped her legs tight behind his back. Still, she was moaning, "Don't stop..." at him, and she wouldn't leave his cock alone after he'd pulled out, so I eventually decided to step in and give him a break.

I'd stuck the dildo right up inside my pussy while I used my fingers on my clit, and when I pulled it out all ten inches of it were slicked with my juices. I made my way onto the bed, smeared some on Naomi's lips, and she started sucking and licking the whole thing. It was such a horny sight that I found myself desperate to see her fuck that plastic cock, so I trailed it down her body and slid it into her hole. It forced out a massive gush of juices, all frothed up and creamy with Ronnie's spunk. My

toy went in quickly and easily – her fanny was soaking wet and Ronnie had opened her right up. He smirked at me - so much for me not wanting to have any sort of contact with her – as I pumped the dildo in and out of her dripping snatch, before pulling it out for a quick suck. She almost screamed at me to get it back inside her, and I told Ronnie he'd better be getting himself hard again as I'd be sucking her juices off his shaft in a moment!

We didn't quite manage a sixty-nine – Naomi got on top of me, but while I gave her clit a suck and continued to use the dildo on her, she was too far-gone to give my cunt any attention. It was aching and throbbing like fuck – I hadn't cum once yet – but I'd make sure I'd see to myself afterwards.

Now Ronnie got in behind Naomi. I craned back to watch him wank his semi to full hardness, his balls swinging as he pumped away with his hand. He didn't need my help but I gave him some anyway – I opened my mouth and licked my lips, coaxing him to stick his prick inside it. Once I was sucking on his helmet I splayed Naomi's cheeks wide apart, so he could get her begging for his dick once more. He had three fingers up inside her snatch and another two in her arsehole, which obviously had her squirming around like crazy. I let him slip out of my mouth and he guided his prick to her cunt, his fingers still exploring her arsehole as he screwed her.

As I carried on sucking Naomi's swollen clit, I felt Ronnie's balls brushing up against my face. I found that if I moaned loud enough, he'd pull his wet tool out of her sopping hole and let me give him a sucking for a couple of seconds. I don't know how much of Naomi's sweet, spunky juices I lapped up, but there were plenty left to play with. At one point, Ronnie removed his member and rubbed his sopping wet prick all over my face.

Halfway through he slowed things down, probably trying to hold himself back, so it didn't help him when I took his balls in my mouth and started sucking on them. He groaned and gave

up, hammering in and out until he was right on the brink – and this time it was me who took his load, right down my waiting, and hungry, throat.

Afterwards, we all collapsed on the bed, catching our breath. Naomi was zonked out from

bit frustrating, but even when I wasn't joining in, just watching them screw, it was a such huge turn-on – like a live porn show for my own personal pleasure, while I fucked myself with my sex toys. And that night was, as agreed, only a one-off – a

cumming so I actually don't know if she noticed us sneaking off to the bathroom so Ronnie could bring me off the fastest, hardest way he knows – fingering my clit while his cock was buried deep in my arsehole.

Even Ronnie has only got so much cock to go around, and Naomi got the best of it that night. I'd thought I might find it a 'nudge' as Ronnie called it to get Naomi back into fucking again. It seemed to work, as well – she may not have found a serious relationship since then (and there's nothing says she has to, of course) but she's had more than a few wild sex sessions, which she's been happy to tell us about!

TRUE CONF

KIRSTY'S HUSBAND CAN'T BELIEVE WHO'S THE STAR OF HIS LATEST FILTHY PORNO FLICK

My husband and I have been using porn DVDs as an extra stimulant for a long time now and over the years since he introduced me to them I've found myself getting more and more into them. I work in Soho near a sex shop, which is highly convenient, and there's nothing more exciting than coming home on a Friday night with a brand new purchase, seeing the anticipation on his face. For his birthday last month, however, I decided to up the ante a little and give him something he wasn't expecting.

We'd been out for a fancy meal – for which I'd worn Graeme's favourite slinky black dress, which shows off my ample boobs and curvy bum – and had plenty of wine, so we were both a bit merry. Slamming the door behind us, I told Graeme to grab a bottle of wine and two glasses, while I hurried into the living room to get everything ready, including lighting all the candles I had placed around earlier.

Wandering in nonchalantly a few minutes later, he suddenly stopped in the doorway, so surprised he nearly dropped the drinks he was carrying and a big grin spread across his face, obviously chuffed at the effort I'd made with the room – and with myself! I had slipped my dress off to reveal the black, lacy peephole bra and knickers, which I now stood in and, coupled with my shiny high heels, I have to admit that I looked pretty fucking hot!

I went over to him and, kissing him softly on the lips, I took the wine glasses from him and led him over to the sofa, which I had covered in a luxuriously furry throw. As usual, when I turned on the DVD player and inserted the disc – bending over sexily, giving him a good eyeful – Graeme became very quiet, his eyes fixed on the screen. He looked a bit confused to begin with, as the first image on the screen was a fairly shaky shot of a living room. As he kept watching, I appeared in shot, facing the camera, in a short leather skirt, boots and bra. He turned to me and stuttered, "Err, Kirsty? What's going on? Who's holding the camera?" I simply smiled at him and said, "You'll see! Keep watching…"

On the screen, I sat down on an upright chair and parted my legs to show I wasn't wearing any knickers. "Do you think he's going to like this?" I asked the person holding the camera, and my friend, Sally-Ann's voice came from out of shot, "Kirst, you look ridiculously horny! Of course he will!" Graeme's eyes were absolutely transfixed to the screen, almost like he had forgotten I was there, so I decided to remind him, placing my hand on his crotch. He was already stiff, and, after rubbing it through his trousers for a short while, I took his cock out and took it firmly in my grip.

Meanwhile, on the TV I'd begun to run my fingers along my thighs, over my stomach and up to my tits, as Sally-Ann directed me. As I wanked Graeme, he watched me play with my clit and feel inside my bra with my other hand. My eyes darted between my performance on screen and Graeme's

reaction, but he was oblivious – he was transfixed by the screen image, and moaning gently as I tossed him off. The camera moved a little closer as I hooked one finger into my fanny, my fleshy pink lips standing out in the poor focus. Sally-Ann corrected it in time for me to open myself up and poke a second finger inside myself.

Watching myself raise up and grind over my own knuckles was making me wet, and I knew I had to take Graeme in my mouth. I found that if I turned my head to the side at an angle, I could take long, gobbling strokes of his shaft and watch my screen self bend over and insert my little finger into my arse, whilst Sally-Ann got into her role, "Oh yeah, push it in! Perfect – he'll like that!" And there was no denying that he did, as he ran his fingers through my hair, gently shoving my face over his meat and groaning his approval.

I didn't want him to climax quite yet, as I knew what was coming next. The camera suddenly shook slightly, as I fingered my bumhole and pussy at the same time, craning my neck round and licking my lips towards the lens.

Having fixed the camera on a tripod, Sally-Ann suddenly appeared in the frame, wearing nothing but a strap-on. She gave a little wave and giggled, "Happy birthday, Graeme!" to the camera. I felt Graeme freeze in disbelief.

"Oh my God!" I heard him moan, as I held his dick in my hand, my tongue now flicking his tip and sloppily licking his length.

Bossily ordering me to turn around so she could fuck me properly, Sally-Ann slowly pushed the dildo deep inside my pussy, pulling my bum cheek back so the camera could see, then took hold of my hair to pull as she rode me. We knew Graeme wasn't going to last long when he watched us together, so I strummed two fingers over my clit as she pummelled away at me, our flesh smacking together to make a satisfyingly loud clapping sound. I watched my facial expression turn to one of total ecstasy as I climaxed, and suddenly my 'real-life' mouth was full of Graeme's creamy gunk, which I gulped down my throat, greedily. I glanced up to see Sally-Ann sliding the rubber shaft slowly in and out of my snatch, as an orgasm rippled through my body.

The DVD ended with me slumped down on my knees, completely spent, as Sally-Ann walked over, still naked and wearing her strap-on, to turn off the camera. I, meanwhile, had never had to drink so much spunk in my life, which can only mean my little home video had exactly the desired effect!

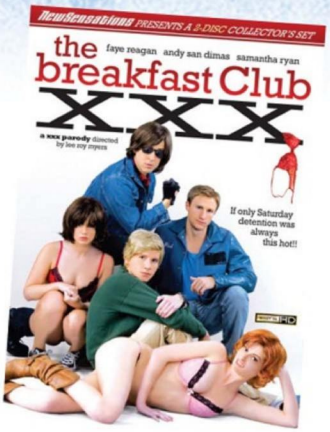
LET'S GET PHYSICAL! THE BEST 1980S PORN PARODIES

Greed Is Good

The Breakfast Club XXX



NewSensations PRESENTS A 2-DISC COLLECTOR'S SET
the breakfast Club XXX
faye reagan andy san dimas samantha ryan
a xxx parody directed by lee ezy myers
If only Saturday detention was always this hot!!

Released by: New Sensations
Starring: Faye Reagan, Andy San Dimas, Syren Sexton, Samantha Ryan, Brook Van Bouren, Tessa Taylor, Breanne Benson

BEST BITS: With plenty of nods to the John Hughes 1985 original, this sexy remake runs the gamut from slow, sensuous shags with Samantha Ryan to hardcore, dirty-talking fucking with Andy (*bottom right*) to a group sex scene with Faye Reagan (*left*) who continues to shine, just like the original.

WORST BITS: Although Syren Sexton tried her best in the opening scene with her exquisite-looking blowies, there was obviously no chemistry at all between her and her co-star, very disappointingly. It wasn't helped by the fact he had trouble keeping himself hard – something we find incredible, given Ms Sexton's natural boobs and mouth-watering bod. The movie was definitely missing a bit of anal, too...

DVD FEATURES: Trailers, cumshot recap, photo gallery, 40-minute behind the scene feature, out-takes, 'party version' of the movie (non-sex) and a 23-minute bonus scene starring the delectable Andy San Dimas in full schoolgirl garb, from the movie *Schoolgirl POV 7*! Awesome!

Top Guns

Released by: Digital Playground
Starring: Jesse Jane, Kayden Kross, Stoya, Riley Steele, Selena Rose, Raven Alexis

BEST BITS: With big-budget props, authentic costumes and impressive special effects, but thankfully no Tom Cruise, *Top Guns* is the porn parody we hoped it would be. Most of the scenes are one-on-ones, and, if we're honest, no lesser stars could have, er, pulled them off. Without a doubt, the hottest scene has to be the 'reverse gangbang', featuring five of the film's six hotties and one very lucky bloke. Newbie Selena Rose fits in perfectly alongside the other Digital Playground superstars Stoya, Jesse, Kayden (*left*) and Riley (*right*), and watching them all in this explosive scene will make you believe all your XXXmasses have cum at once, despite the time of year!

WORST BITS: Next time, DP, throw in a threesome, huh?

DVD FEATURES: Trailers, photo gallery, behind-the-scenes segment, deleted scenes, out-takes, a bonus scene (starring Jesse Jane and Riley Steele) and special effects feature. Impressive!

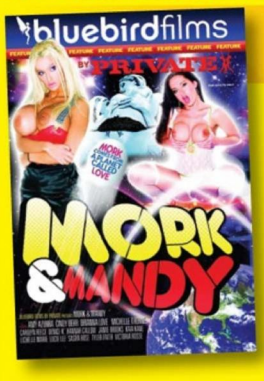
OOOAAR!



Mork & Mandy

Released by: Bluebird Films
Starring: Amy Azurra, Brianna Love, Hannah Callow, Cindy Behr, Lucie Theodorova, Kaia Kane, Jamie Brooks, Denice K., Sasha Rose

BEST BITS: Bluebird threw everything at this movie, cast-wise, mixing American (Brianna Love), British (Hannah Callow) and Czech (Lucie Theodorova) porn royalty all together to make one amazing fuckfest! Canadian cutie Amy Azurra (*below*) takes the lead role as Mork, a mega-boobed alien who befriends Mandy, played by star-of-the-moment Kaia Kane, but that's as far as the similarities to the Robin Williams original go. Four of the six scenes on offer here are full-on orgy scenes, each with a slightly varied cast and scenario, and each guaranteed to get your goo gushing.

WORST BITS: The acting is atrocious at times, even for a fuck-flick, and the canned laughter after every joke soon becomes tedious but if you can put up with those minor annoyances...

4/5

DVD FEATURES: Trailers, photo gallery and slideshow, cumshot recap.

Tight Rider

Released by: The Adult Channel
Starring: Natalli D'Angelo, Carla Coxx, Lou Charmelle, Franki, Cathy Heaven, Amy Latina

BEST BITS: With helpful media promotion during filming, thanks to heritage site Amherst Fort in Chatham being featured, causing outrage among historians, *Tight Rider* managed to win 'Best Film' at the 2012 UKAP Awards. Carla Cox (*below*) shines as the female baddie and even makes the poor script seem relatively amusing. Her sex scenes don't disappoint, either, with her enthusiastic performances leaving her co-stars in the dust.

WORST BITS: Veteran British cocksman Mark Sloane takes on the role of 'Michael Tight', wearing the most horrendous 'comedy' wig ever to appear in a porno – the head of the costume department should've been shot. A geriatric Ben Dover makes a few cameo appearances as Michael Tight's boss? Wrong. So wrong.

2.5/5

DVD FEATURES: Trailers. Hmmm.
